SIR,

Subject - Sanctioning certain additional scales of expenditure in the Municipal High School, Chamarajanagar

I have the honour to state that the Managing Committee of the School, referred to above, have proposed to entertain two additional teachers in grade Rs 40-4-60 and an additional clerk on Rs 30/- per mensem and to enhance the contingent grant from Rs 10/- to Rs 12/- per mensem, apart from the scales of expenditure sanctioned for the school in Government Orders Nos E 327-29/Edn 248-11-7 dated 23-7-1943 and E 5143-57/M1 96-44-36 dated 28-11-1944, as the total strength of the school has increased to 300 with two sections of each of the three classes and more than the minimum strength in each section Copies of resolutions of the Managing Committee of the School and of the local Municipal Council on the subject are submitted herewith

As there has been considerable increase in the strength of the School requiring additional sections and incurrence of additional expenditure, I therefore recommend that Government may be pleased to sanction the two additional teachers posts in grade Rs 40-4-60 and one additional clerk's post on Rs.30/- per mensem and the enhancement of the contingent grant from Rs 10/- to Rs 12/- per mensem with effect from the current school year, the extra cost involved being ordered to be met from the funds of the school as allotted by the local Municipality
